Bowling News

The scoresheet turned in for the third match between Bowl-o-Drome's squad of junior hotshots and young kegglers of South Bay looked more like National All Star competition with Bowl-o-Drome racking up a rousing 2879 series for the second win against cross-town rivals, Popular teenage fireballs, sparked by Gary Shore, who banged out 203-216-230 for single high series of 649, clobbered opponents by close to 100 pins a game, more than making up for the trouncing South Bay handed out a couple of weeks ago during their second bout. Reliable anchor for Bowl-o-Drome's quintet, Bob Taylor, tallied 210-192-220—622, making it two for the home town squad shooting over the 600 mark. Harold Varagne of the opposition, scored with games of 194-225-189, turning in the lone 600 set for South Bay. Saturday Bowl-o-Drome's young all star material heads south to San Diego where they'll clash with the border city top junior bowling talent at Cairmont Bowl in the first bout of a special three-round match. Following Saturday, San Diego squad invades Bowl-o-Drome.

Bob Bever Pontiac holds the lead for the first lap of the summer Sunday mixed fours, one point over Best "N" West, Times Men's Wear and the Fin Pickers, all tied for the number two spot. C. Podroz of the Undecided, posted 533-102—635 for men's high series, while J. Struberg of Times Men's Wear, 205-40—245, holds the single high pitch. Female toppers are held by M. Junge of the top quintet, 525-114—639 series honors and M. Ramsey of the Best "N" West, 215-8—223, for high game position.

Ladies' Friday night 740 scratch let loose with pretty fair scores racked up the first couple of weeks of the new session. Mary's Color Bar took over the early lead with individual toppers tallied by Mick Mady on the Pat's Pirates squad, rounding out a 585 series with her whopping 236 pitch. Dolly Cone of Starlite Cafe, came through
